Welcome to Term 4

Term 4 is a very busy term. We have a number of upcoming events that we would welcome some extra pairs of hands from pizza oven attendants to sewing supervisors. If you would like to help with any of the activities listed please contact Feona or Sharelle in the office.

Italian Day on Wednesday 24 October. Mauro, our wonderful Italian teacher, has prepared an extravaganza of cultural events from performance to pizza. Are you able to join us and help station the pizza oven while groups of students prepare pizza? And enjoy a slice of pizza too!

Tuesday Afternoons Sewing in Topaz. Three new sewing machines have been purchased for students to learn the basics of sewing to enable the school banner design to come to life! Do you have a spare hour or two to supervise students in class using a sewing machine?

Saturday 28 October 2018 Wodonga Children's Fair. This is a whole day marketing event and if you are passionate about talking about the joys and benefits of attending a Montessori care program, kindergarten and/or school we would love you to be part of the stall.

The School Disco on Friday 2 November is running for the first time as a social enterprise event. Year 6 students, Samadhi and Tim, are planning a no waste event, lots of dancing and fun. Making disco bunting for the school to keep for future events sounds like a hoot and might be just your thing!

Finally there is a change of date for the end of year concert due to an unforeseen clash on Friday 30 November - the Festival of Folk, Rhythm & Life at Eldorado, of which a number of our families attend. We have therefore rescheduled the concert to **5.30pm Thursday 29 November**. We apologise for any inconvenience.

Notice of intentions

A reminder that if you are intending to withdraw your child/ren from enrolment from a Cycle 1, 2 or 3 program at the end of this year we require notice in writing this week. Otherwise where notice is not provided, the Security Deposit paid for each child is non-refundable.

Regards, Susi

AWAKE: The Life of Yogananda

AWAKE: THE LIFE OF YOGANANDA is an enlightening documentary about Hindu mystic Paramahansa Yogananda who brought yoga and meditation to the West in 1920. Yogananda was the author of the spiritual classic Autobiography of a Yogi, which became the go-to book for seekers and yoga enthusiasts from George Harrison to Steve Jobs. By personalising his own quest for enlightenment and sharing his struggles along the path, Yogananda made ancient teachings accessible to a modern audience. Filmed over three years in over 30 countries, AWAKE examines the world of yoga, modern and ancient, East and West, and explores why millions today have turned their attention inwards in pursuit of Self-Realisation. By evoking the journey of the soul as it pushes its way through the oppression of the ego and delusion of the material world, the film creates an experiential immersion into the unseen realms. AWAKE is ultimately the story of mankind itself: the universal struggle of all beings to free themselves from suffering and to seek lasting happiness.
