## From the Committee of Management

Dear Montessori Community,  
Further to the Moonstone Families receiving a detailed letter regarding staffing arrangements for next term, we would like to take this opportunity to thank Sally and Khy for their contribution to our school and wish them well in their future endeavours.

Wishing our Montessori Community a relaxing and rejuvenating holiday break. We look forward to seeing you in term 3. Warm Regards,  
Committee of Management.

## Holiday Break

It's been a long eleven week term with lots of sickness and the cold has hit! Term dates for Term 3 are Monday 11<sup>th</sup> July to Friday 16<sup>th</sup> September. We hope you all have lovely break and look forward to seeing you back refreshed and well for term 3. Thanks again to Sally & Khy for their lasting impact with our gardens, our resources and cooking programs with our children.

Please rest up and take care over the holidays and we look forward to seeing you next term.

Kind Regards Bron Martin.

## School Holidays Hours

While the school will not be staffed full time over the school holidays, we certainly will be in at times and checking emails regularly. So if you need to speak to us please leave a message or send an email and we will get back to you as soon as possible.

## Chinese Classes

Chinese classes will resume at the beginning of term 3 on Monday 11<sup>th</sup> July. Invoices will be sent out in the first week of term 1.

## It's Back! The HART Project

Last year the Health and Resilient Together (HART) Project came to Beechworth with many children, parents and staff enjoying the engaging, informative and enlightening sessions with presenter Hugh van Cuylenburg.

Parent and community sessions will be held in Yackandandah on Monday July 25<sup>th</sup> at 9.30 and 7pm and in Beechworth on Tuesday the 25<sup>th</sup> of July at 7pm. Students and staff will be taking part in different sessions during the week.

This program inspired change in families, schools and students and I encourage you to watch one of Hugh's presentations on you tube – just enter his name into the search - and get a taste of what is coming our way!
