December

17th Wednesday Last day for students, end of Term 4, 3.15pm finish

School resumes Thursday January 29, 2015

From the Principal

We had an unexpected lesson from a guest yesterday when Cathy McGowan arrived at school to hand deliver the certificates of participation from the Cycle 3 Canberra Camp and their visit to the Parliamentary Education Office. She stayed for

approx. 45 mins answering questions and providing information to the students. The timing was excellent given that the students had just debated a bill regarding computer use at school as a continuation of their students of Australian government.

The raffle was drawn at pick up time in the foyer – the winners are:

1st prize – Euclypt Woodworks handcrafted table – Raelene Young, Wooragee

2nd prize – 1860 Accommodation – Showers family

3rd prize – Rodda wines – Skye Cutter

Congratulations to the winners and thanks to our generous families for their donations of prizes. Many thanks to Helen and Quentin Pfahlert for their time, energy and skills in managing the whole raffle.

Students participating in the excursion tomorrow will need to have excursion permission forms returned, and be sun smart in their clothing and gear. I will down on the water from 11.30-2pm if you are looking for me at the 12 noon pick up time.

Farewell to old friends and families – for some of you this will bring an end to your family's involvement in Montessori. Thank you for sharing your children with us for part of their learning journey. You leave with our best wishes and warm regards for wherever your path takes you.

2015 will see the community welcome a number of new families. Some have already commenced – we hope that you are made to feel welcome by those who are already here and that they can share in their knowledge of the local area so that you can settle in quickly. It's pretty much a guarantee that many Montessori families will be at the pool over the summer – a great place to meet people.

To all our families; I hope that you enjoy the slow days of summer. I know that staff will be most appreciative of a slower pace to their days.

Tomorrow is the last school day for 2014. Students will be dismissed from school at 3.15pm. Please note it is NOT a 2.15pm finish - this is due to bus timetabling.

Kind regards and Merry Christmas, Heather
