

2022 Fee Schedule

Beechworth Montessori School is responsible for all of the operational costs associated with providing the learning environment and the teaching and administration staff. Generally speaking, 70% of our funding each year comes from the State/Federal Governments and 30% from school fees.

A Fee Payment Agreement must be signed annually to indicate acceptance of the current Fee Policy and Fee Schedule. This will be distributed to parents/guardians, and a signed copy must be received before the commencement of the school year or the commencement of the child attending at Beechworth Montessori School.
