

Child Safety: Working with Children Checks Policy

Date Approved by Committee of Management: 18/07/2019

Date for review: 18/07/2022

PURPOSE

The Working with Children Check (WWCC) assists in protecting children from sexual or physical harm by ensuring that people who work with, or care for, them are subject to a screening process.

SCOPE

This policy applies to the whole school community in supporting safe environments for all children and young people.

POLICY STATEMENT

At Beechworth Montessori, a WWCC is required for any person, volunteer or paid, who engages with students in any school related/approved activity.

If a volunteers occupation exempts them from the requirement to also have a WWCC (eg. Police officer, teachers) they must provide evidence to support their claim to an exemption.

IMPLEMENTATION

This policy applies to the whole school community in supporting safe environments for all children and young people.

- To obtain a WWCC an application form must be completed. The application form is available online (<http://www.workingwithchildren.vic.gov.au/home/>).
- The requirement for a WWCC does not apply to people who are under the age of 18, are currently registered with the Victorian Institute of Teaching (VIT) or are a Victoria Police officer or Australian Federal Police (AFP) officer.
- This policy will be communicated to the school community periodically through the school newsletter.
- The school will keep a register listing the relevant details of those people who have obtained a WWCC so that it will not be necessary to produce the Check on every occasion. This register will be maintained by the administration staff. The WWCC register will be updated on an ongoing basis and distributed to room Directors.
- Selection and appointment processes for staff and volunteers require submission of evidence and active assurance of VIT registration or WWCC prior to engagement.
- Expiry dates of WWCC's are checked regularly and persons reminded if a Check needs renewal. For VIT registrations, this is undertaken in early October each year (when registrations are renewed).
- Administration officers, and staff must ensure that volunteers sign into the school.

DEFINITIONS

For the purposes of the Working with Children Act 2005:

- **Children** are those under the age of 18 years
- **Child related work** is work involved in one of the occupational fields listed in the Act, and that "usually involves direct contact with a child and that contact is not directly supervised by another person."
Note: "Work is not child-related work by reason only of occasional direct contact with children that is incidental to the work."
- **Direct contact** is any contact between a person and a child that involves:
 - physical contact, or
 - face to face oral communication
- **Direct supervision** is supervision of a person's contact with children rather than of their work in general. Supervising another person's contact with children must be personal and immediate but can include a brief absence such as taking a telephone call in another room.
